Travel with us to Pennsylvania in 2024 and experience "**Daniel" at Sight and Sound Theatre**. If you saw Daniel in Lancaster in 2002, you will witness a totally new production. Of course, the story is the same, but the music, costumes, script, and technology are totally different. Come join us as we follow Daniel, facing pressure and unbelievable danger to conform to the ways of the Babylonians. And celebrate with Daniel as he stands faithful, true, and loyal to God. A story from the Old Testament comes to life in front of your eyes as you watch, listen, and learn because, God is still speaking to us today.

Monday, May 6th – Spring is in the air. The grass is green. The flowers are blooming. It's a great time of year to hit the road and enjoy God's beautiful world. This morning we will make our way north to Lancaster, Pennsylvania. This area of the state is home to a wide variety of both Amish and Mennonite groups. This afternoon, we will start our adventure by touring **the Mennonite Life Visitors Center** and learning about this religious-cultural group. Established in the 16th century during the Protestant Reformation, it is a faith-stream within Christianity. Unlike the Amish, however, you will see some Mennonite groups that want to preserve their historical character while other groups enjoy being involved with society. This will be a wonderful learning experience for us. Afterwards we will tour a biblical tabernacle reproduction that is a full-size model of Moses' Tabernacle in

the Wilderness. You'll learn more about the history, construction, and spiritual significance of this symbolic dwelling place of God. It is amazing to see!

Then it's off to the **beautiful Eden Resort** where we will spend two nights. After a delicious dinner at the hotel, you can spend the remainder of the evening swimming, playing shuffleboard or just exploring our resort. (D)

Tuesday, May 7th – This morning we will drive into the countryside to enjoy the most mouth-watering warm pretzel you've ever eaten! Everyone gets one of these large, delicious pretzels. You'll also have a little time to browse the roadside stand just filled with Amish goodies, from quilts to homemade canned and baked goods. It's a real treat. Then we're off to take a fascinating tour of the **National Watch and Clock Museum** which features the largest collection of timepieces in North America. See more than 13,000 watches and clocks from around the world, including a German table clock from approximately 1570. Our guides will share insights into how timekeeping has changed civilization as well as other fun facts and history. From prehistory to space-age, this highly popular tour is interesting and as close as you can come to "time travel". Then it's time for lunch so we'll turn our coach toward **Kitchen Kettle Village** where you can enjoy anything from a burger to soup and salad or just an ice cream cone as you enjoy the surroundings of the village. They also have a huge jam and jelly store that everyone seems to enjoy visiting. After lunch we'll learn how to make a specialty of Lancaster County: the whoopie pie. This favorite Pennsylvania Dutch dessert gets its name from the squeal of delight that folks made when they took their first bite – "whoopie!"

Next, it's off to **Sight and Sound Theatre** to enjoy the much-anticipated new production of Daniel. Taken from his people, he is exiled in the powerful kingdom of Babylon and must learn to navigate his new life inside a palace filled with golden statues and shifting empires. As pressures mount, Daniel is faced with a dangerous choice. Will his trust in God remain steadfast through every test of faith? From the fiery furnace to the den of lions, you'll witness one of the Bible's most hope-filled stories. What a wonderful and touching experience this will be!

Wednesday, May 8th – Rise and shine! We are off to the Amish countryside this morning. Can't you just imagine it! The morning sun, the dew still on the grass, the verdant fields, the rolling hills. Oh, what a peaceful and relaxing experience this will be!

As we make our way through the beautiful backroads of Lancaster County, we will learn about the Amish way of life which focuses on humility, family, community, and separation from the world. As we travel along, we will stop for **a tour of four Amish entrepreneurs' businesses**. At each place we will learn how they make their product, how they got into it, what kind of technology they use and what they do not or are not allowed to use. You'll also receive a free sample of their work to take home with you after each stop.
