Travel with us to Pennsylvania in 2024 and experience "**Daniel**" at **Sight and Sound Theatre**. If you saw Daniel in Lancaster in 2002, you will witness a totally new production. Of course, the story is the same, but the music, costumes, script, and technology are totally different. Come join us as we follow Daniel, facing pressure and unbelievable danger to conform to the ways of the Babylonians. And celebrate with Daniel as he stands faithful, true, and loyal to God. A story from the Old Testament comes to life in front of your eyes as you watch, listen, and learn because, God is still speaking to us today.

Tuesday, June 18th – Summer is here! It's time for a vacation and what better place to go on a vacation than to Lancaster, Pennsylvania. It's just a great time of year to hit the road and enjoy God's beautiful world. This morning we will make our way north to Lancaster, Pennsylvania. Upon arrival we will enjoy **an amazing Chalk Talk presentation with Elva Hurst**. Elva grew up in a conservative Mennonite family. The story of her faith walk is enlightening and touching. The artistic gift that God has given her is truly uplifting for through chalk, narration, and music, she draws a huge, detailed picture that illustrates her story. In the end, the picture seems to come to life and the amazing story she tells is heart-warming.

After this amazing presentation we will check into our hotel and enjoy a delicious dinner. We will be staying at **the beau-**

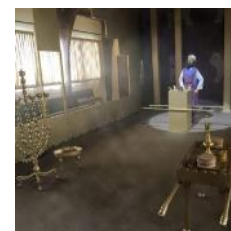

tiful Eden Resort for two nights so after our meal you may choose to spend the remainder of the evening swimming, playing shuffleboard or just exploring our resort. (D)

Wednesday, June 19th – Rise and shine for it's going to be a great day! We'll start by taking **an Amish buggy ride**. Step back in time as you travel the roads and listen to the sounds of the horses' hooves, clippity-clop. It's just so relaxing! Couple that with the experience of being inside an authentic buggy and seeing the world as the Amish do plus the opportunity to ask the driver questions about his life and culture and you have the perfect morning adventure. When you return from your buggy ride, you'll enjoy the most mouth-watering warm pretzel you've ever eaten!

Then because this area of the state is home to a wide variety of both Amish and Mennonite groups, we will continue expanding our minds by visiting the **Mennonite Life Visitors Center**. Established in the 16th century during the Protestant Reformation, the Mennonites are a faith-stream within Christianity. Unlike the Amish though, you will see some Mennonite groups that want to preserve their historical character while other groups enjoy being involved with society. What a wonderful learning experience for us. Afterwards we will tour a biblical tabernacle reproduction that is **a full-size model of Moses' Tabernacle in the Wilderness**. You'll learn more about the history, construction, and spiritual significance of this symbolic dwelling place of God. It is amazing to see!

For lunch, we'll turn our coach toward **Kitchen Kettle Village** where you can enjoy anything from a burger to soup and salad or just an ice cream cone as you enjoy the surround-

ings of the village. They also have a huge jam and jelly store that everyone seems to enjoy visiting. After lunch we'll learn how to make a specialty of Lancaster County: the whoopie pie. This favorite Pennsylvania Dutch dessert gets its name from the squeal of delight that folks made when they took their first bite - whoopie!

After lunch, it's the moment we've all been waiting for: **Sight and Sound Theatre's new production of Daniel**. Taken from his people, he is exiled in the powerful kingdom of Babylon and must learn to navigate his new life inside a palace filled with golden statues and shifting empires.

As pressures mount, Daniel is faced with a dangerous choice. Will his trust in God remain steadfast through every test of faith? From the fiery furnace to the den of lions, you'll witness one of the Bible's most hope-filled stories. What a wonderful and touching experience this will be!

We'll finish our day at **Miller's Smorgasbord** for a delicious and truly filling dinner before we return to our hotel for the night. (B, D)

Thursday, June 20th – We are off to the Amish countryside this morning. Can't you just imagine it! The morning sun, the dew still on the grass, the verdant fields, the rolling hills. Oh, what a glorious and relaxing sight this will be! As we make our way through the beautiful backroads of Lancaster County, we will learn about the Amish way of life which focuses on humility, family, community, and separation from the world. As we travel along, we will stop for **a tour of four Amish entrepreneurs' businesses**. At each place we will learn how they make their product, how they got into it, what kind of technology they use and what they do not or are not allowed to use. You'll also receive a free sample of their work to take home with you after each stop.

Of course, all good things must come to an end so after our morning tour we will begin our journey home with wonderful memories of our time in Lancaster and the uplifting story of Daniel. (B)
