### **IMPORTANT**

**This is not the same cruise that appeared in our Summer 2023 Brochure.** The cruise in the brochure (August 9 - 19, 2024) was cancelled by the cruise line shortly after the brochure went to press. This new cruise has a much more interesting itinerary and is four days longer.

**A cruise to the Mediterranean is like no other.** You'll enjoy walking back into ancient times, learning about different cultures and traditions, seeing the blue-domed roofs along the hilly coastlines, experiencing the beautiful clear blue skies during the day and the starry, starry nights in the evening, **From Spain to Turkey, this is going to be an exciting cruise.** Add to that an **all-new state-of-the-art ship - the Sun Princess** - with the most amazing dining and entertainment venues and you are in for the trip of a lifetime. Join us as we sail the crystal blue seas of the Mediterranean in 2024. It's going to be incredible!

The best staterooms are always snapped up quickly. In recent years, we've also found that the most attractive side excursions sell out prior to sailing. Booking early gives you the opportunity to get exactly what you want.

**Remember:** you will receive a full refund of your deposit from Princess Cruise Lines if you decide to cancel prior to making the final payment. Booking is a risk-free option.

***If you served in the military,*** please let me know when you sign up as you may be eligible for free onboard credit.
