Winter 2024

Greetings, Travel Family,

Thank you for all you've done to make our trips so much fun! Your camaraderie, sense of humor, desire to learn, Christian values, and kindness toward others makes each trip special. I know the cost of trips go up as fuel, hotels, food continue to climb so I'm forever grateful that you understand and continue to see the value of being part of a travel family.

As I compile this winter brochure, I'd like to share some anonymous words of wisdom we all hold dear:

When something good happens,
TRAVEL TO CELEBRATE.

If something bad happens,
TRAVEL TO FORGET.

If nothing happens,
TRAVEL TO MAKE SOMETHING HAPPEN!

I think that sums it up and since I have not been everywhere, though it is on my bucket list, come join me! Our travels are going to be a blast!

Donna & David

A word about "WAIT LIST" and "SOLD OUT" trips.

Since the world "re-opened" in 2022, we have seen more and more people taking trips. Where once a "wait list" for a trip was uncommon, it is not anymore. You're also seeing "sold out" on bigger trips when it becomes impossible to get another traveler on it even if there is a cancellation.

The message is clear: when you see a trip that you seriously want to take, let us know as soon as you can. We don't want you to be left behind!

DEPOSITS & REFUNDS

We no longer take deposits on overnight motor-coach trips unless show tickets are involved. Due to this change, if you book a trip and need to cancel, it is critical that you contact us to remove your name from the list. Failing to do so may cause a trip to be cancelled—which would disappoint a lot of people.

Riverboats, ocean cruises and trips involving air do require deposits in order to book. Cruise deposits are normally refundable through the cruise line until final payment at which point insurance would go into effect. Riverboats and trips involving air typically require deposits at the time of booking plus the insurance payment if you want insurance that covers pre-existing medical conditions.

Day trips require payment within 10 days of booking. The payment is totally refundable until one month before the trip. If you must cancel within a month of the trip, we will try to resell your tickets and send you a refund.
