Our Oktoberfest cruise to Norway, Sweden, Denmark, Belgium, the Netherlands, Germany, and Normandy will be **magical**. The days begin to get shorter; the air becomes crisper, and the colors are more dazzling. **Will we see the Northern Lights?** You can't predict them, but September is a great time to see this phenomenal sight! Join us on a 12-day European cruise aboard **the Emerald Princess**, stopping in eight ports along the way. It's a bucket list trip and is going to be amazing!

Quoted prices include: cruise including taxes, fees and port expenses associated with the ship, transfers to/from the airport in Europe, onboard meals and entertainment, free Wi-Fi, free gratuities, free classic drink package.

Not Included: airfare plus travel protection - I will be able to secure airfare in November 2024 but at this point it looks like airfare will be between \$1,200 - \$1,300 per person round-trip. Also, a hotel in London the day prior to the cruise is not included. Hotel pricing will be available mid-2024.

Here is our Itinerary:

September 14 - Fly to **London**, spend the night in a hotel and explore the city.

September 15 - Set sail: **Southampton (London), England**

If you are interested, be sure to book soon.

The best staterooms are always snapped up quickly. In recent years, we've also found that the most attractive side excursions sell out prior to sailing. Booking early gives you the opportunity to get exactly what you want.
