Just In Time

(included in the trip)

(Wednesday, December 10 at 8:00 PM)

Bringing a modern twist to the classic era of big band and swing, **Just In Time** promises to take Broadway audiences on a journey through the life of Bobby Darin. With Jonathan Groff as its star, this production is a tribute to a performer who lived to entertain. Groff's charisma pairs perfectly with the energetic ambiance of a live big band setting, creating a feel-good atmosphere that's hard to resist. Whether you're a long-time Broadway enthusiast or a newcomer eager to check out the latest production, this show's winning combination of Groff's compelling performance and the iconic music of Bobby Darin is bound to hit the mark.

The theatre has been transformed into a dazzling nightclub. The setup, boasting two stages and a cabaret-style seating arrangement, allows for an unparalleled experience. With the band stationed on stage, audiences are not just watching a musical; they are being enveloped in the era of swing that Bobby Darin so epitomized. (Description by Broadway In-bound).

6 TONY AWARD® NOMINATIONS INCLUDING BEST ACTOR

Operation Mincemeat

(included in the trip)

(Thursday, December 11 at 7:00 PM)

Operation Mincemeat is the musical everyone didn't know they were waiting for, and it's making quite the splash on Broadway in 2025! The story is based on the 1943 British

deception operation of the same name, which involved using a cleverly disguised corpse to fool the Axis powers about the Allied invasion of Sicily during World War II. This scheme might sound like something out of a suspense thriller, but it's a true and utterly fascinating story.

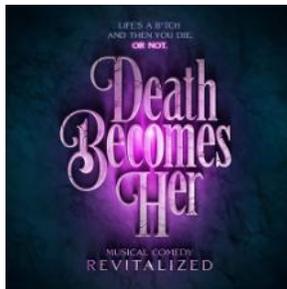

The musical, already a hit in London (**Winner of the 2024 Olivier Award for Best New Musical**), captured hearts with its perfect blend of humor, history, and some seriously catchy tunes. So, whether you're an aficionado of war-time history, love a good musical comedy, or are just up for a night of entertainment, Operation Mincemeat delivers on all fronts! Grab your tickets and prepare to embark on a uniquely astonishing and whimsical wartime adventure! (Description by Broadway Inbound).

Clever dialogue and show-stopping performances make for a fun, whimsical experience that's as endearing as it is ridiculous.

The show has made a smashing entrance on the Broadway scene with panache and pizzazz, praised by The Guardian as a "rousing, raucously entertaining hit." It has quickly become a fan favorite for its vibrant energy and a slew of standout performances. The show is as glamorous as its lead characters aspire to be.
