*Experience the difference a Royal Tour makes!*

## Summer 2025

Greetings, Travel Family,

As you will notice in this brochure, trips in 2026 are focused on the USA as well as one trip to our North American neighbors, Canada. We will enjoy the laid back sunshine of Hawaii and the beauty and amazing sights of the Pacific Coast plus take some shorter springtime trips that will brighten your days, engage the mind, and tickle your funny bone. Come join us.

One big change that I have noticed while planning these trips is that the cutoff date for the hotels and some tickets has often changed considerably. Please note the Balance Due dates and mark them on your calendar for you may find they are earlier than you are accustomed to seeing for our trips.

As a reminder, if you'd like to win a \$400 gift certificate for your next Royal Tours and Travel trip, just refer a new traveler who you would enjoy traveling with. When that person takes their first trip with us, your name goes into the drawing. Please remember to let us know when you refer someone so we can give you the credit.

As always, if you see something you like, call right away to avoid being put on the waitlist. And, out of courtesy to others in our travel family, if you have to cancel, let us know right away.

We invite you to come experience the wonders of this world with us. We haven't been everywhere but we sure are trying.

We do not take deposits on overnight motorcoach trips unless show tickets or early deposits are required. If you book a trip and need to cancel, it is critical that you contact us to remove your name from the list. Failing to do so may cause a trip to be cancelled.

Riverboats, ocean cruises, and trips involving air or event tickets often require deposits in order to book.

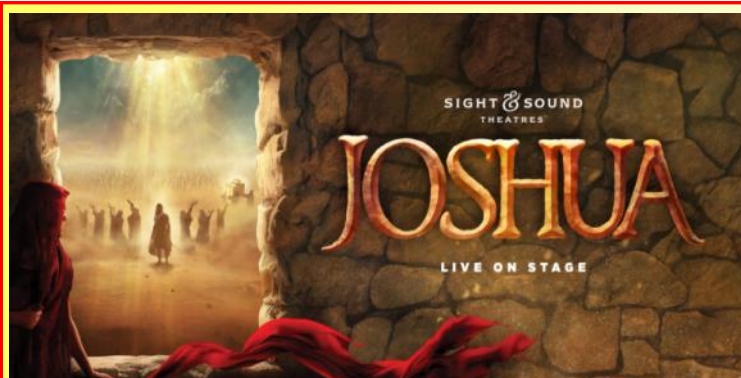

1. Ocean cruise deposits are normally refundable through the cruise line until final payment date at which point travel protection insurance would go into effect.
2. Riverboats and overseas land tours require deposits at the time of booking plus the insurance payment if you want insurance. If you should have to cancel prior to final payment and you bought "their" insurance at the time of the deposit, you can get your deposit back. If you cancel at any point and you have an annual insurance policy, you must file an insurance claim to receive a refund and have an insured reason for the cancellation. (Example: illness, surgery, death in the family, etc.)
3. Whenever there are deviations from these normal practices we will be sure to include them on our website.
